Subject: Check-in on New Development Guidance/LID for Ashland and Roseburg

Hi Gene, Zach, David, and Bill,

Thanks for your previous responses on the New Development guidance and how it relates to the Rogue, Bear Creek, and Umpqua TMDLs. I'm following up on a call I think you all had last week on how Ashland and Roseburg would handle stormwater-related discharges and how that might work with New Development guidance or LID guidance that you're working on.

I'm working with Don Waye at HQ on the New Development Guidance under CZARA, and he's cc:ed above. A question has come up how much coverage the TMDLs provide re: the new development measure under CZARA, and to simplify the question, Don is focusing on Ashland and Roseburg to see what's done in some of the major cities in the coastal nonpoint management area where TMDLs have already been done. If it's difficult to send something in writing or it'd be easier to clarify the question, I can arrange a phone call. Of course, folks are welcome to talk with each other, too, but I'd be happy to set something up to save people time. If you could let me know by next Tuesday, 10/14, whether DEQ will send something in writing or I should set up a phone call, that'd be great.

Thanks for the help,
Jenny
